## Panel Support Brace

Panel support braces give additional support to single- and double-bay panels in heavy loading applications and minimize the vibration created by components mounted on the panel. Braces can be installed on existing systems without removing the panel. Panel support braces are furnished in pairs.

Panel Support Brace Catalog Number	L	L	Fits Panel Width
	mm	inch	mm

## Wire Management Rails

Wire management rails are 14 gauge steel with a plated finish. They feature a unique hole pattern that allows either wire ties or fasteners to secure wires in place. Frame-mounting hardware is included. One package contains 20 rails.

Wire Management Rails Catalog Number	L	L	Total Length	Total Length	Fits Frame Depth
	mm	inch	mm	inch
